PERSONAL INTEREST

Our Personal Interest courses are a great way to explore and develop new or longtime personal interests and hobbies, as well as prepare to take that next step in your personal and family projects.

Art

Please note: Most art classes require students to provide their own supplies. These are NOT included in the course fee, unless otherwise noted. A supply list will be sent with your confirmation.

Cartooning for Fun (& Profit)

Would you like to be a cartoonist? Ever wonder how your favorite cartoons get into national publications? Introduce yourself to every facet of the cartoon art process, from concept to finished product. Through lectures, in-class demonstrations, and hands-on training, you'll learn the techniques of professional cartooning, including a variety of drawing and inking methods, character development, gag-writing, and marketing. Materials fee \$5 at class.

The Art of Glass Fusing

Explore the art of using a kiln to fuse together pieces of glass. Find out about glass choices, preparation, cutting, and composition. Then experiment with the materials and apply your own style and creative ideas as you learn how to use a variety of fusing and slumping techniques, how to use a kiln, and what you need to know about firing programs, annealing times, and recordkeeping. Materials fee \$100 for new students and \$30 for returning students at class covers first few projects. Plan to spend an additional \$100 (or more, depending on the size and complexity of the work you wish to design) during a class field trip (to be arranged) to learn about, choose, and purchase additional materials for the remainder of the course. As this class is in high demand with limited seating, all registrations are final, and NO REFUNDS, CREDITS, or TRANSFERS will be given.

Basic Inking for Comics & Cartoons

No comic or cartoon is truly finished until it's been inked. Inking adds that all-important layer of clarity, depth, and “believability” to penciled art. In a hands-on course that demystifies the process, learn the basic inking techniques most commonly used for cartoons and comic books. Students with all levels of drawing skills are welcome, but novices may wish to take Creating Comics & Graphic Novels first. Remember: It's not over until the ink is dry! Materials fee \$5 at class.

Trips, Tours & Excursions

The Los Angeles Underground Art Museum

May Sun, Frank Romero, Margaret Garcia, Jonathan Borofsky, Sheila Klein, Terry Schoonhoven. These are just some of the many artists whose work is featured in the Underground Art Museum. Come join an exciting day-long tour that takes you on a point-to-point excursion through this extensive museum and includes walking tours of many of its surrounding neighborhoods. The Underground Art Museum stretches from North Hollywood all the way to Downtown LA, and while most people call it by its other name—the Metro Red Line—you'll be one of the few who gets to explore the spectacular art, distinctive architecture, special sights/sites, and other hidden treasures of LA with an informative guide. At the Universal Studio's stop we will attend the Annual Re-Enactment of the Treaty of Cahuenga Signing and celebrate the 168th anniversary of the historic signing. Wear comfortable walking shoes and casual clothes, and if you like, bring along a small, lightweight seat cushion to add to your comfort. Metro fare and lunch costs are NOT included in tour fee.

Money Management

How to Maximize Your Social Security Benefits

Filing for Social Security benefits can be stressful. Failing to use the right strategy when choosing when and how to claim benefits can cost you a lot of money, and potentially put your surviving spouse at financial risk. Don't leave thousands of dollars "on the table" simply because you don't understand how to optimize your benefits. Join us for an informative and easy-to-understand seminar that explores how you can maximize your Social Security income. Gain the knowledge you need to make an educated and confident election decision. This seminar is designed to assist those who have not yet, but will soon begin receiving their Social Security retirement benefits, and those who have begun their payments within the past year.

Employment Training Panel List

STUDY ONLINE OR IN A CLASSROOM

You could be eligible for State funding for career training!

Santa Monica College is a certified ETPL provider.

Let us be your destination for your Employment Training Panel needs. Make a commitment to make your dream job a reality.

ETPL Process

1. **Determine Eligibility:** Meet with a case manager at your local branch of America's Job Center—a one-stop shop for employment and training services—to find out if you qualify for training funds. Go to lacoworkforce.css.lacounty.gov
2. **Referral Notice:** If you qualify, your case manager will send a referral notice to SMC Community Education to confirm your course costs and start date. SMC Community Education must complete, sign, and return the referral notice to your case manager in order to go to the next step.
3. **Training Agreement:** America's Job Center sends a training agreement to SMC Community Education. The agreement states that America's Job Center agrees to pay for your training, and the terms for how payment will be remitted. The training agreement must be signed by SMC's Director of Community Education and returned to your local branch of America's Job Center for final signature.
4. **Fully Executed Training Agreement:** After America's Job Center places its final signature on the agreement, a copy is sent to SMC. The agreement confirms that you can begin training as outlined in the agreement.
5. **Registration in Course:** SMC Community Education will register you in your course and send you a confirmation via email.

Personal Fitness Training Certificate

The Personal Fitness Training Professional Certificate program—offered as an online series of interactive courses with an optional field internship—is designed for individuals seeking an exciting new career in the emerging field of personal training, as well as established allied health and fitness professionals from all fields—including athletic trainers, wellness consultants, and registered dietitians—seeking continuing education.

The Web-based program makes it convenient for you—regardless of where you are or the time of day—to fit the program's courses into busy work and home schedules. You

can earn your certificate in as little as five months or (if necessary) as long as two years.

To qualify for the program certificate, you must enroll in the Personal Fitness Training Professional Certificate program and complete all 5 core courses. There is also an optional field internship. A certificate of completion is awarded upon successful completion of each course.

Students who have completed the core Certificate may then register for the Advanced Professional Certificate program, which requires three additional courses. The Advanced Professional Certificate is designed for students interested in furthering their education in personal training by learning how to incorporate specialized resistance training, functional movements, and nutritional guidance into programs for their clients.

The cost of any books or other materials required for a course is NOT included in the course registration fee.

Information about textbooks and course materials will be provided when you register. For more information about the program and the jobs and careers it can lead to, please send email to the program coordinator, Ken Baldwin, M.Ed (kbpft@yahoo.com). Please visit www.efs.pageout.net for full course descriptions and an online demo. Classes are set up for open enrollment.
